

DIVA MALDIVES

Paradise is made of this! A small island resort located on South Ari Atoll, surrounded by a crystal-clear lagoon and miles of ocean in shades of blue and turquoise. This is the place for a real break, far removed from the hustle and bustle of modern life, on a beautiful island, full of tropical greenery, surrounded by a fabulous lagoon, perfect for swimming and snorkelling and close to one of the Maldives' best dive sites.

Diva Maldives offers a number of different accommodation types. The ultimate in relaxation, the Water Villas, are located on the lagoon with steps leading down to the water. All you have to do is relax on your own private terrace. Each Villa has its own luxurious bathroom with a sunken bath, the décor is simply stunning and the whole ambience is warm and relaxing.

If you prefer the sand under your feet, the sunsets from the west-facing Beach Villas and Beach Pool Villas are unsurpassed. The rooms, with their luxurious en-suite bathrooms, are pure elegance and the extensive use of local wood for the floors and fittings, as well as the Pierre Frey fabrics from Paris, give an added warmth. The Beach Pool Villas offer a private garden on its far side, featuring a sunken swimming pool with a wooden deck surround, 2 sunlounges and an outdoor shower. Both styles of villa offer an overall feeling of spaciousness and a sense of being part of nature.

Another option is the Junior Suites which look out to sea and are near to the sea on both sides. They are located on the narrow ends of the island. Each Suite has a bedroom, en-suite bathroom, terrace and private garden area. The suites have dramatic orange touches that give them a warm, sunny feel, further enhanced by the use of local wood for the bedroom floors and terrace decking.

There are a large range of water-sports or land activities available and the many restaurants and bars ensure that your dining and social experiences are second to none.
