Kerala is one of the most idyllic states of India. Flanked by the Arabian sea in the west and mountain ranges in the east, Kerala is rich in cultural heritage and is famous for its beautiful beaches, majestic backwaters, its wildlife sanctuaries, its proudly distinctive cuisine, authentic ayurveda, and its elaborate Kathakali dance forms and theatre. Kerala is a delightful and truly distinctive Indian holiday experience.

This fantastic Kerala tour gives you a wonderfully balanced look at the best this colorful state has to offer, from Kochi to Kovalam and all in between.

Your first glimps of Kerala and "God's Own Country" is Kochi - a seaport city and a blend of cultures evolved from the historical influence of explorers and traders. Here you will visit the Dutch Palace, Jewish Synagogue, St. Francis Church, the Chinese Fishing Nets as well as see a traditional Kathakali theatre performance. From Kochi you will venture to the scenic hill resort of Munnar - "The Switzerland of India" where you will have a day at leisure to explore the sprawling tea estates. The next day you will depart for Thekkady, a fascinating and unique natural wildlife sanctuary, where you will have an amazing opportunity to photograph wildlife at close range. A definite highlight of your trip will be an unforgettable overnight houseboat cruise exploring the picturesque area from Kumarakom to Alleppey. This will be followed by two days of pure relaxation on the serene and beautiful Kovalam beach before your tour comes to an end. This tour is a small but tantalizing taste of all the colour and wonder of this truly magnificent Southern Indian state. A truly satisfying experience.
